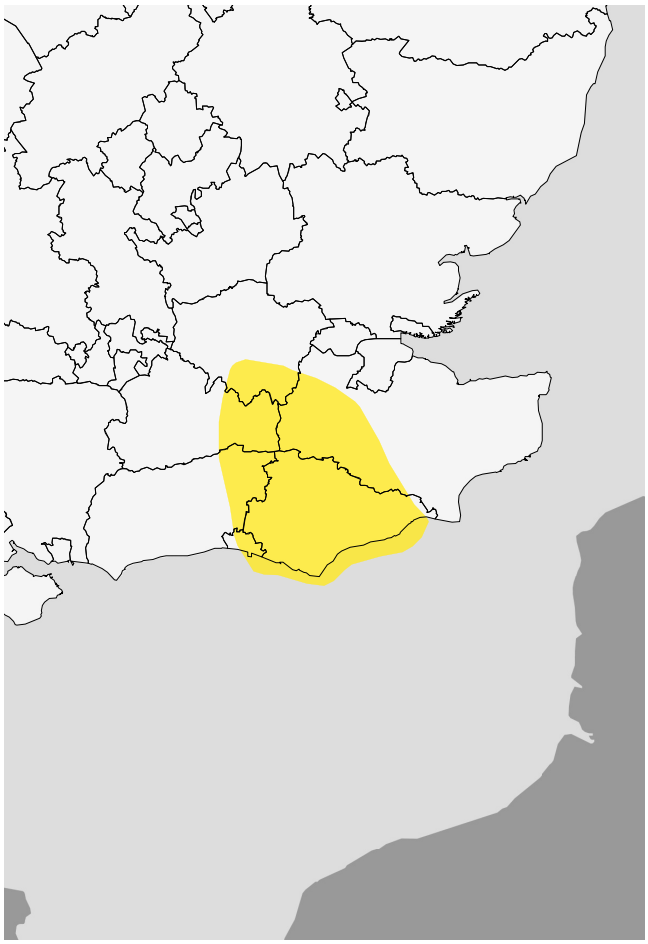
Yellow warning
Rain

Between
06:00 Sat 27 Jul 2019 and
09:00 Sat 27 Jul 2019



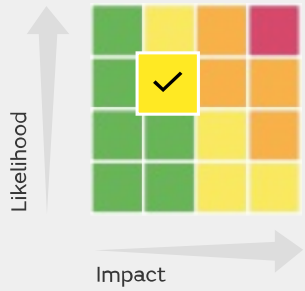
Persistent, heavy rain across this area will continue for the next few hours, leading to some early morning travel disruption.

What to expect

- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer

Further details

An area of heavy rain which has developed overnight has become slow moving across this area. 10-20mm of rain has fallen over the past few hours, with a further 10-15, locally 20mm expected over the next 2-3 hours. This has the potential to cause some localised travel disruption and make driving conditions difficult this morning.



Medium likelihood of low impacts
